

McNary Elementary School Homeless Education Policy and Procedures

Policy

It is the policy of the McNary Elementary School Governing Board to ensure that homeless children and youth are provided with equal access to its educational programs, have an opportunity to meet the same challenging State of Arizona academic standards, are not segregated on the basis of their status as homeless and to establish safeguards that protect homeless students from discrimination on the basis of their homelessness.

Definition of Homeless Children and Youth

The term "homeless children and youths" means individuals who lack a fixed, regular, and adequate nighttime residence due to economic hardship.

It includes children and youths who:

- are temporarily sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason
- are living in motels, hotels, or camping grounds due to the lack of alternative adequate accommodations
- are living in emergency shelters
- are abandoned in hospitals; or are awaiting foster care placement
- have a nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings
- are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings
- runaway children or children who are abandoned

Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition.

Homeless status is determined in cooperation with parents or in the case of unaccompanied youth the local educational agency liaison.

Procedure

School Selection:

Placement in a school shall, according to the child's best interest,

- Continue the child's or youth's education in the school of origin for the duration of homelessness, in any case in which a family becomes homeless between academic years or during an academic year, or for the duration of the academic year, if the child or youth becomes permanently housed during an academic year.
- Enroll the child or youth in the school that non-homeless students who live in the attendance area in which the child or youth is actually living are eligible to attend.

In determining the best interests of the child or youth to the extent feasible, the child or youth will be kept in the school of origin, except when doing so is contrary to the wishes of the child's or youth's parent or guardian, for the duration of homelessness.

In the case of unaccompanied youth, the McNary School District liaison or designee will assist in placement or enrollment decisions considering the requests of such unaccompanied youth.

The school of origin means the school that the child or youth attended when permanently housed, or the school in which the child or youth was last enrolled.

The choice regarding placement shall be made regardless of whether the child or youth lives with the homeless parents or guardian or has been temporarily placed elsewhere.

Enrollment

The school shall immediately enroll the child/youth, even if the child or youth lacks records normally required for enrollment. Records will immediately be requested from the previous school.

The terms "enroll" and "enrollment" are defined to mean attending school and participating fully in school activities.

Residency

A homeless child or youth is a resident if the child is personally present somewhere within the district with a purpose to remain but not necessarily to remain permanently.

The child or youth shall be considered a resident when living with a parent, guardian, or person in loco parentis not solely for school purposes or for participation in extra curricular activities.

Homeless students who do not live with their parents or guardians may enroll themselves in school.

The address listed on the enrollment forms becomes proof of residency.

Guardianship

For purposes of school placement, any parent, guardian or person in loco parentis who has legal or physical custody of a homeless child or youth may enroll that child or youth directly in McNary Elementary School.

Comparable Services

Each homeless child or youth shall be provided services comparable to services offered to other students in the school, such as

- Free breakfast and lunch (National School Lunch Program participants)
- Title I services
- Referrals to local preschool programs for siblings
- Referrals to medical, dental and mental health providers
- Transportation provided to/from school of origin

Transportation

At the request of the parent, or in the case of an unaccompanied youth, the McNary Elementary School liaison or designee, transportation will be provided for homeless children to and from the school of origin, school of attendance area or school requested for the duration of the school year.

Once permanent housing is found, the family has a choice to stay in the school they are attending, or attend the school where they have found housing.

Permanent housing is defined as any signed lease or long-term approved living situation. Self-paying day to day in a motel is not considered permanent housing.

In the case where the school of origin, and current residence are different LEA's, the two school districts will agree on a method for transportation and share costs.

Local Educational Agency Liaisons

Ms. Maye Hill shall be the Local Educational Agency Liaison for homeless children and youths. The Local Educational Agency Liaison or designee shall ensure that:

- homeless children and youths are voluntarily identified by school personnel, and through coordination with other entities and agencies.
- homeless children and youth enroll in and have a full and equal opportunity to succeed at McNary Elementary School.
- homeless families, children, and youths receive educational services for which they are eligible and referrals to other appropriate services.
- the parents or guardians of homeless children and any unaccompanied homeless youth are informed of educational and related opportunities available to them and are provided with meaningful opportunities to participate in the education of the child/youth.
- public notice of the educational rights of homeless children and youths is disseminated at the McNary Post Office, which is frequented by low income families.
- compliance with all policies and procedures and mediate enrollment disputes.
- the parents or guardians of a homeless child or youth, and unaccompanied youth, are informed of transportation services, including transportation to the school of origin or to the school that is selected.
- coordination of services between McNary Elementary School and other homeless family service providers.
- assistance is provided to children and youth who do not have immunizations, or immunization or medical records, to obtain necessary immunizations, or immunization or medical records.
- students are not stigmatized or segregated on the basis of their status as homeless.
- programs for homeless students are coordinated with other federal and local programs.

Disputes

If a dispute arises over enrollment in the school, the child or youth shall be immediately admitted to the school in which enrollment is sought, pending resolution of the dispute.

The McNary School Homeless Liaison shall carry out the dispute process as expeditiously as possible after receiving the notice of the dispute.

Appeals will go to the McNary School Homeless Liaison. The parent or guardian of the child or youth or unaccompanied youth shall be provided with a written explanation of the appealed decision regarding school selection or enrollment, including the rights of the parent, guardian, or youth to appeal the decision to the Arizona State Coordinator for Homeless Education.
